How to Submit an Application

The grant application is provided as a Microsoft Word document and must be downloaded, completed, and uploaded via the SourcePoint Grants Portal. Applicants may save and edit the document multiple times on their computer before final submission. Please be advised that word count limits are enforced within the application form; any content exceeding the specified limits will be automatically deleted and not considered during review.

Definitions

Conditions of Participation: A document provided by SourcePoint and available on the grants webpage. It outlines key expectations for grant recipients, including reporting requirements for reimbursement, marketing and branding guidelines, insurance obligations, and other critical terms. All applicants must review this document in full and indicate agreement by signing and submitting it with their application materials.

Certificate of Good Standing: A certificate issued by the Ohio Secretary of State confirming that the organization is authorized to operate in the State of Ohio. Certificates are valid for 60 days from the date of issuance. A current certificate must be included with the grant application. A $5 fee applies, and the certificate may be downloaded from cogs.ohiosos.gov

Verification of Registration with Attorney General: A document confirming the nonprofit organization complies with the Attorney General's charitable registration requirements. This verification can be downloaded from charitableregistration.ohioago.gov/Charities/ResearchCharities

Code of Regulations or Bylaws: A governing document that outlines the nonprofit's internal structure and operations. It defines the responsibilities of the Board of Directors, procedures for meetings and voting, and provisions related to organizational dissolution. Please note this is not the organization's personnel policy or employee manual.

IRS form W9: A required tax document that enables SourcePoint to issue payments to the applying organization. This form must be completed and submitted with the application.
