

# Making sense of Medicare.

SourcePoint's free classes take the mystery out of Medicare and empower you to make sound insurance decisions.

Classes are held at SourcePoint and other locations throughout Delaware County, *and are available online, too!*

## New to Medicare?

Learn the basics of Medicare in this popular class. Whether you're becoming eligible for Medicare for the first time or assisting a loved one with insurance needs, this is the place to start.

## Find Your Plan.

Did you know Medicare beneficiaries should do a plan comparison each year? Learn how to use the Plan Finder Tool on Medicare.gov so you can run your own plan comparison.

## Fill the Gap.

If you're looking for a Medicare Supplement Plan to help cover costs, this workshop gives you a better understanding of supplements, including terms and how to obtain rates.
