“JUST FOR PAWS” PET CARE

SourcePoint’s Meals on Wheels program is more than just a meal! We also provide care to our clients’ beloved furry companions. Thanks to generous donors, dry cat and dog food is available for delivery weekly.

In addition, veterinary care and grooming is available, as well as respite care for individuals who may need to enter the hospital or rehabilitation for a time and need care for their pets.

For so many people, pets are part of the family. And if you’re a senior on a limited budget, the reality of caring for your

pet can be tough to manage. That’s why this service is available.

Donations are always welcome to support our Meals on Wheels clients and their pets. Dry pet food donations can be dropped off at SourcePoint at 800 Cheshire Road in Delaware or ordered from our Amazon Wishlist.

**Each week,
we deliver about
300 pounds of
pet food!**

***You can support our
efforts by organizing
a pet food drive!***

RUNNING A PET FOOD DRIVE

SET-UP

COLLECTION POINTS

Place your flyers and collection boxes in high foot traffic areas. (Lobbies and lunch rooms work well!) Make sure you have an adequate supply of collection boxes and a place to store food until the drive is over. (We can provide a flyer template for you to use!)

BUILD

AWARENESS

Use emails, flyers, and other internal communications to generate interest in participation. Provide daily updates as you progress toward your goal. Be sure to follow SourcePoint on social media and tag us!

DELIVER

TO SOURCEPOINT

Take group photos with the whole stash of food! Drop off any time we are open, and ask if you need help unloading. If you are promoting the charitable efforts of your company or organization through internal or external media, take pictures when you drop off at SourcePoint. (We love taking pictures, too!)

INVOLVE

EVERYONE AND MAKE IT FUN!

Friendly competitions between classrooms can increase the amount of food donated. Offer a prize to the group that brings in the most donations, such as a "Pizza & Movie Friday!" You can also create competitions with lots of categories—largest individual donation, or match your weight with pounds of food.

ANNOUNCE

YOUR RESULTS

Make sure to thank everyone for their participation! Add results and photos to your newsletter. Set the date for your next drive.
