New to the Caregiver Program!

Activity Partner Program
Enrich your social connections with our activity partner program, designed to be mutually beneficial for caregivers, care receivers, and volunteers. Activity partners are matched with a fellow SourcePoint member whose interests and schedules align. Together, we plan time for the paired member and partner to spend with one another here in the building, participating in whichever art, learning, wellness, and social activities appeal to them, while the family caregiver participates in their own activities at SourcePoint. If you are interested, contact Brian at bfox@MySourcePoint.org or 740-203-2399.
